Customs "NO OBJECTIONS" to the Proposed Amnesty Bill

The Bureau of Customs (BOC) offers "No Objections" to the proposed Customs Amnesty Bill of the Export Development Council (EDC). According to BOC Commissioner Angelito A. Alvarez, this proposal also affords the Bureau of Customs the opportunity to augment its national revenue collections as provided in the proposed bill.

The objective of this proposed legislative advocacy is to grant amnesty to exporters whose imports under the bonded warehousing system remains unliquidated for years due to lack of documentary requirement/s and yet remains unprosecuted.

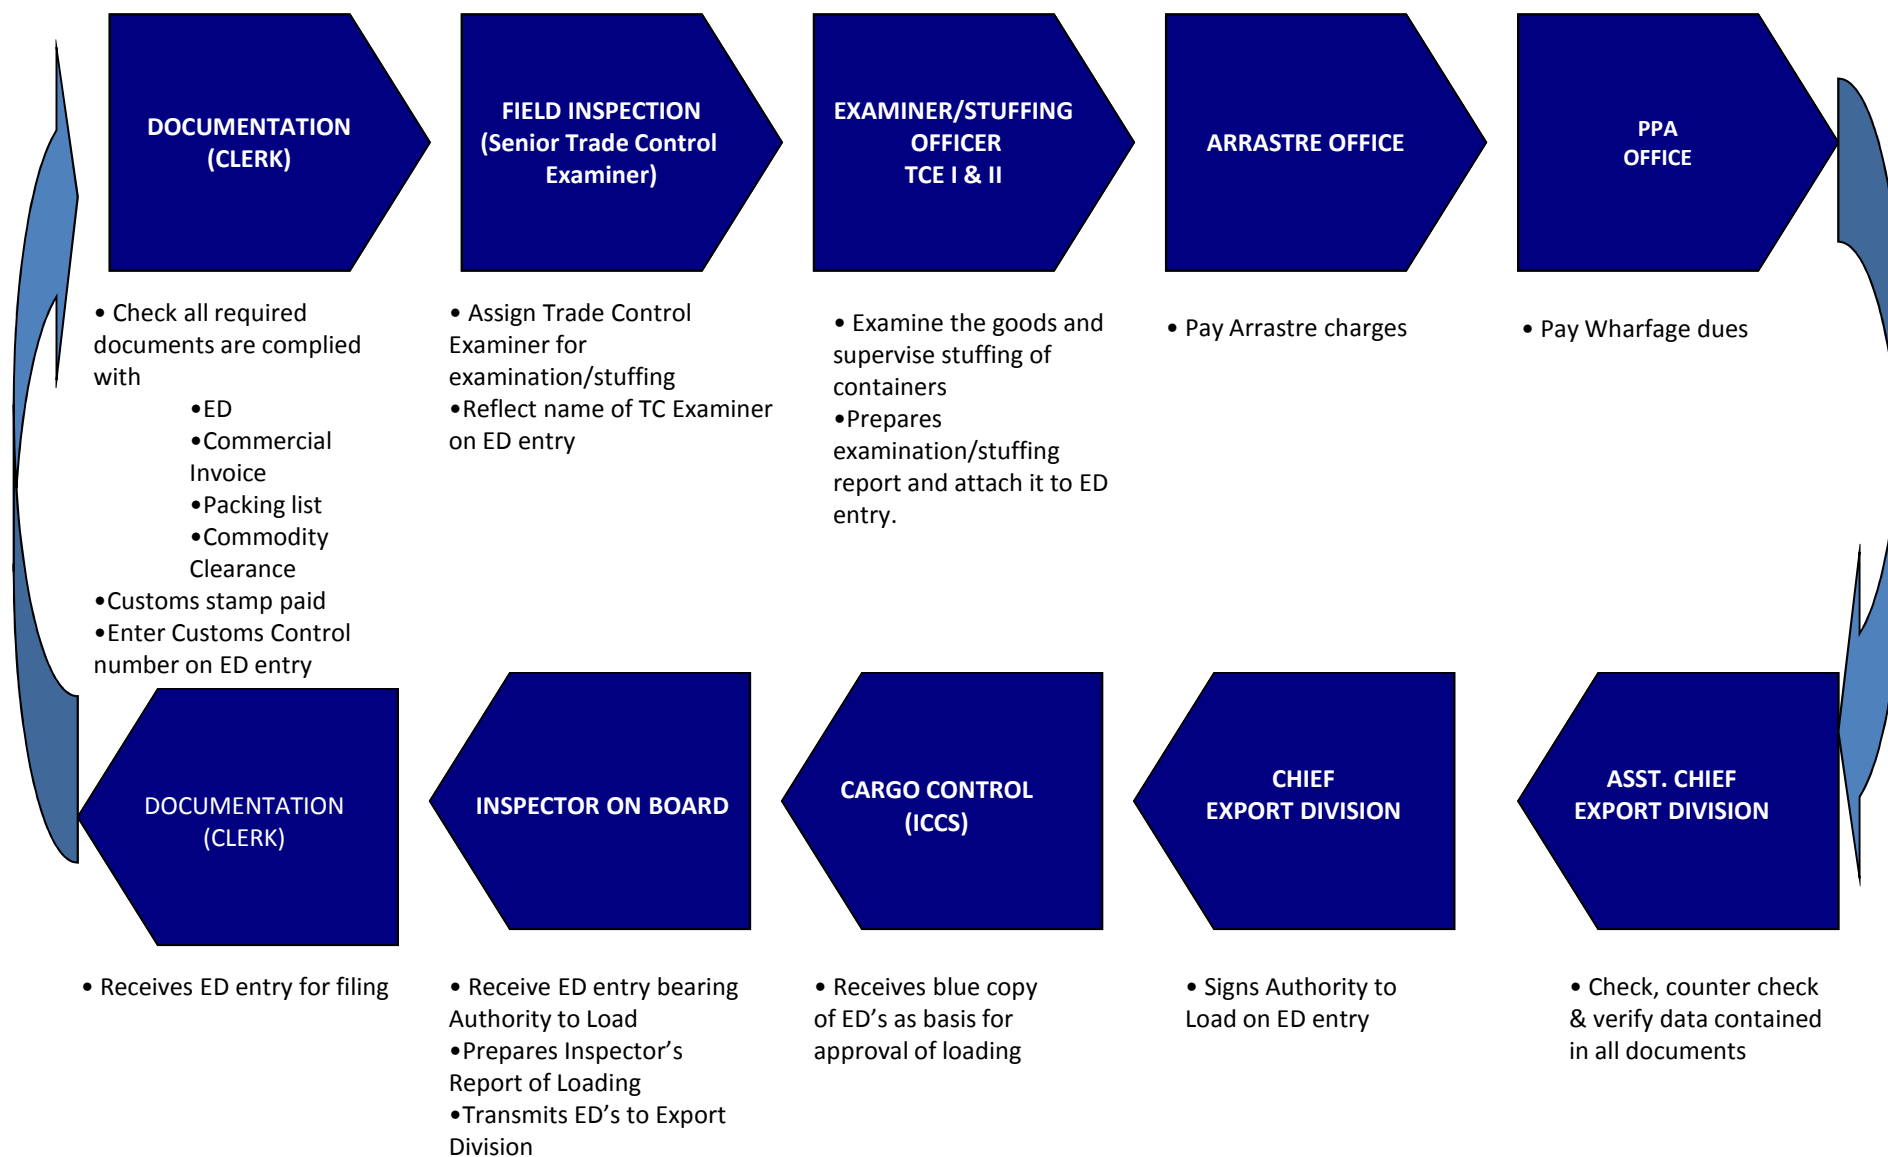

BSP Awards EDC for Outstanding Information Support

The Bangko Sentral ng Pilipinas (BSP) has chosen the Export Development Council (EDC) as one of this year's BSP Stakeholders Awardees for Outstanding Information Support - Source of Information for Balance of Payments projection (Public Sector).

Last year, BSP conferred EDC the Special Recognition Award for the same category.
