## WHO WE ARE

The Canadian Chamber of Commerce of the Philippines (CanCham) was established in 1989. It is incorporated and registered with the Securities and Exchange Commission (SEC) of the Philippines as a non-profit organization.

Membership is open to Canadian, Philippine, and other third country corporations and individuals that have Canada-Philippines business interests. The membership includes large multinational corporations, small and medium business enterprises, and persons involved in a whole range of business activities including international trade, investment and labor mobility.

CanCham is governed within the framework set in its By-Laws registered with SEC.
