

CANADIAN CHAMBER OF COMMERCE OF THE PHILIPPINES

# AN INVITATION

*La Chambre de Commerce Canadienne Des Philippines*

## MORNING BUSINESS BRIEFING

### *Investment Opportunities and Portfolio Management*

The world will face even more risks and tougher economic challenges on multiple fronts in year 2016. It's certain to affect the Philippine economy for the next six years and beyond 2020. Listen to our guest speakers talk about the current and prospective global economic environment and how must investors continue to create or protect their wealth in the face of these challenges. They will also present an overview of estate planning and then show how the different planning tools such as wills, trust, corporation, insurance and donation, can help investors in the transfer of wealth to the next generation.
