PRESIDENT'S MESSAGE

Dear Members and Friends,

As I reflect on the past two months, one word keeps coming to mind: **momentum**.

Every conversation, new partnership, and event has reinforced something I've believed since stepping into this role: CanCham is more than a business chamber. We're a community of people who genuinely want to see one another succeed.

June's 21st Joint Foreign Chambers Networking Night was a perfect example. It was wonderful to see so many familiar faces alongside new connections, all coming together with a shared belief that collaboration is how we create new opportunities. Thank you to our sponsors, partners, and everyone who joined us in making the evening such a success.

What excites me even more is what's ahead.

We've received an incredibly positive response to our upcoming Women Leading ASEAN Growth forum. It's clear there is strong demand for conversations that celebrate leadership, entrepreneurship, and the role women continue to play in shaping the future of our region. I believe this will become one of CanCham's signature events, and I look forward to welcoming many of you there.

Alongside this, we're continuing to build a calendar of programs designed to help our members stay connected, informed, and competitive—from our General Membership Meetings and Canada 101 sessions to committee briefings and new opportunities for collaboration across industries.

My vision is simple. I want CanCham to be the first place people think of when they want to build meaningful relationships, discover new business opportunities, and contribute to the growing Canada–Philippines partnership.

Thank you for your continued trust, support, and engagement. The energy around our Chamber is real, and I believe we're only just getting started.

I look forward to seeing many of you at our upcoming events.

With gratitude and optimism,

Nancy Castiglione
President, Canadian Chamber of Commerce of the Philippines

CANADA-PH ROUNDUP

Key Highlights (May–June 2026)

1. Upcoming Presidential Visit

President Ferdinand Marcos Jr. will undertake the first official Philippine presidential visit to Canada in over a decade (July 1–4, 2026).

Agenda: Negotiations on a Canada–Philippines Free Trade Agreement (FTA), discussions on a broader Canada–ASEAN FTA, and expanded cooperation in defense, maritime security, energy, critical minerals, food security, tourism, and culture.

Marcos will also meet Canadian business leaders in IT, AI, critical infrastructure, and high-growth industries, and engage with the Filipino diaspora in Vancouver.

- **Trade & Economic Engagement**

Bilateral merchandise trade reached \$3.4 billion in 2025, with Canada expanding its presence in Manila through Export Development Canada and an Indo-Pacific Agriculture Office.

Canada continues to support Philippine economic resilience, particularly in critical minerals, agriculture, and AI-enabled industries.

- **People-to-People Ties**

Nearly 1 million Canadians of Filipino descent strengthen cultural and economic links.

Canada eased visa requirements in 2023, facilitating travel and exchanges.

2. Defense Cooperation

On June 11, 2026, Canada and the Philippines signed two major agreements:

Mutual Logistics Support Arrangement – enabling exchange of logistical support during joint exercises and operations.

Statement of Intent on Strengthening Defence Cooperation – roadmap for deeper collaboration in maritime security, joint military exercises, and defense industry partnerships.

These build on the Defense Cooperation Arrangement (2024) and Status of Visiting Forces Agreement (2025).

Economy & Inflation

Inflation hit a 29-month high in May at 3.2%, driven by a 33.2% spike in petrol prices amid Middle East tensions. Food prices also rose 3.8%, with fresh fruit up 5.3% and vegetables up 9%. Analysts expect relief in June after a U.S.–Iran peace deal reopened the Strait of Hormuz, lowering global oil prices.

National AI Strategy

The federal government unveiled “AI for All”, a \$2.3 billion plan to create up to 90,000 AI jobs, provide free public training, and legislate chatbot safety and child protection.

Prime Minister Mark Carney and AI Minister Evan Solomon launched the initiative in Toronto, positioning Canada as a leader in the AI economy.

Labour Market

Canada’s unemployment rate fell to 6.6% in May, down from 6.9% in April, with 88,000 jobs added—far above expectations.

Despite job growth, households continue to face stagnant wages and high inflation pressures.

Energy & Trade

Prime Minister Carney signaled that a new Alberta oil pipeline is “more likely than not” as Canada seeks to diversify energy exports to Asia amid global instability.

Trade tensions with the U.S. persist, with Washington criticizing Canada’s enforcement of forced-labour bans in supply chains.

Politics & Policy

The government extended consultations on federal project assessment reforms to July 22, delaying legislation until fall. Proposed changes include capping decisions at one year and streamlining Indigenous consultations.

Rising living costs are becoming a political challenge for PM Carney, who pledged affordability measures after winning a majority in April.

STAR ALLIANCE 

SUN LIFE OF CANADA (PHILIPPINES), INC. REAFFIRMS COMMITMENT TO HELPING OFWS "COME HOME FOR GOOD"

CEBU CITY / ILOILO CITY, Philippines — June 2026 — Sun Life of Canada (Philippines), Inc., in partnership with the Blas F. Ople Policy Center and Training Institute and the Associated Marine Officers' and Seamen's Union of the Philippines (AMOSUP), brought its continuing advocacy to life by co-presenting a two-leg Overseas Filipinos Health and Financial Wellness Expo.

Held in Cebu and Iloilo, the initiative brought together migrant workers, seafarers, dependents, and stakeholders for a day focused on health, financial literacy, and community support.

On-site services and informational sessions were provided by government agencies, including the Department of Migrant Workers (DMW), Overseas Workers Welfare Administration (OWWA), Social Security System (SSS), Pag-IBIG Fund, and PhilHealth. Meanwhile, healthcare services were delivered by Physicians Diagnostic Services Center Inc., which offered physical examinations, blood sugar testing, and a wellness lecture addressing the unique health challenges faced by seafarers.

Empowering OFWs Through Financial Planning

Sun Life Client Segment Marketing Senior Manager Beron Mangosing presented the company's "Live Bright Now" campaign, which promotes proactive health and financial planning. The initiative encourages Overseas Filipinos to take charge of their present well-being and financial security while preparing for retirement, ensuring they have the tools and knowledge needed to achieve their goal of coming home for good.

To bring the campaign to life, Sun Life immersed participants in two interactive activities. The first was the "Home for Good" simulation, which allowed families to "fly" an airplane through various life obstacles, symbolizing the journey of Overseas Filipinos. The second activity was the "Play for Life" game board, which highlighted the importance of being prepared for life's risks, reinforced the value of financial security, and emphasized the critical importance of retirement planning, all of which are key elements of Sun Life's comprehensive approach to supporting OFW well-being.

All these are aligned with Sun Life's promise to help more OFWs build financial security a brighter future.

Interactive Engagement and Community Celebration

Participants also listened to inspiring messages and presentations from notable guests, such as Dr. Teodosio Alcantara, Dr. Ryan Ed Comuelo, Dr. Douglas Aurelio, and Blas F. Ople Policy Center and Training Institute Senior Consultant Luther Calderon; while Dr. Eris John Tibay and Dr. Melanie De Vera-Padura provided practical insights on maintaining physical and mental well-being while working at sea.

An interactive session promoting mental wellness and emotional resilience was also held, facilitated by Vertical Parallel Asia with Anne Margarette Estacio, RPh, MSPsy at the helm.

Various activities at the "OF Play" area allowed participants to win prizes through interactive games and challenges. A pickleball tournament in Iloilo, initiated by AMOSUP, added a recreational and wellness-focused component that encouraged camaraderie and active participation.

Sun Life, together with participating partners and government agencies, distributed prizes, giveaways, and merchandise during raffle draws and booth activities. The major raffle prize for both locations was a travel voucher worth PHP 5,000.00, awarded to two lucky participants as they continued their journey toward coming home for good.

A Continuing Commitment

The expo demonstrated the strength of multi-sector collaboration in addressing the holistic needs of Filipino migrant workers.

By collaborating with groups that share its vision of a brighter future for the OFWs, Sun Life reaffirmed its commitment to providing meaningful support, financial literacy, and health awareness—the essential building blocks for achieving their dream of coming home for good and building a brighter future for themselves and their families.

FEATURE EVENT

EARLY CANADA DAY CELEBRATION

June 4, 2026, Shangri-La Fort BGC- The Embassy of Canada hosted a vibrant early Canada Day celebration at Shangri-La The Fort, gathering government officials, members of the diplomatic corps, Canadian nationals, and partners to honor the enduring Canada–Philippines relationship.

A highlight of the evening was Ambassador David Hartman's address, "Seasons of Change," reflecting on the expanding partnership between Canada and the Philippines—from trade and investment to defense cooperation, education, and cultural exchange. Ambassador Hartman also shared that this would be his final Canada Day in the Philippines, expressing heartfelt gratitude for the friendships and shared achievements built during his tenure.

DFA Undersecretary Maria Teresa dela Vega delivered keynote remarks recognizing Canada's commitment to peace, innovation, and international cooperation.

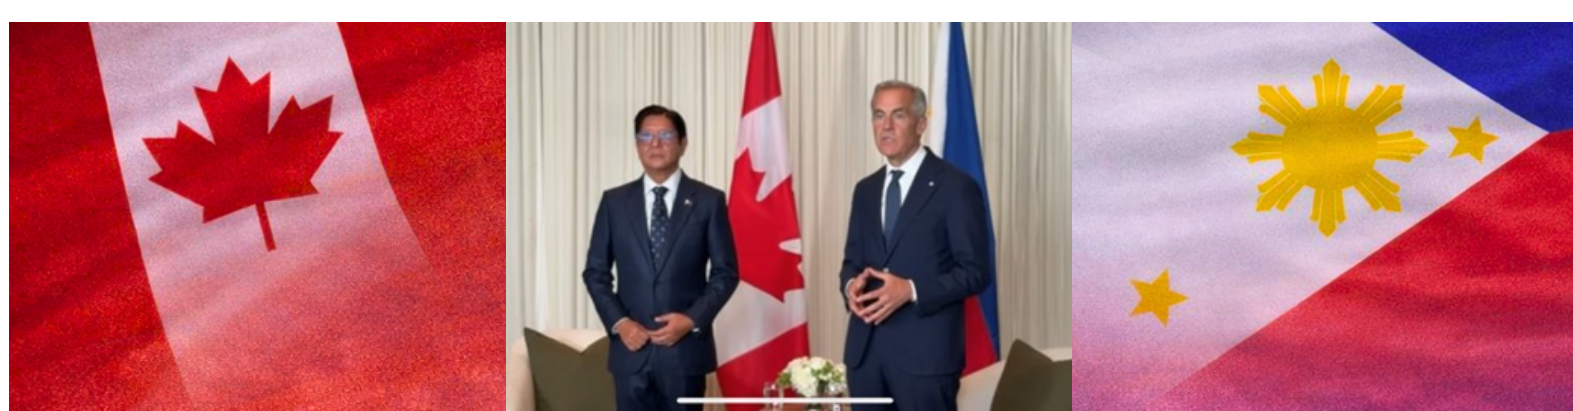

Guests enjoyed Canadian hospitality with exceptional cuisine, fine wine, and raffle prizes courtesy of PressReader, Philippine Airlines, and Air Canada.

The celebration underscored the enduring friendship between Canada and the Philippines—one that continues to grow through collaboration, shared success, and many more seasons of partnership. 🍁🇵🇭🇨🇦

July 1-4, 2026 - President Ferdinand R. Marcos Jr.'s Official Visit to Canada marks a significant milestone in the relationship between Canada and the Philippines. The announcement of a new Canada–Philippines Strategic Partnership reflects a shared commitment to deepen cooperation in trade, investment, energy, defence, tourism, labour mobility, and people-to-people ties.

For the Philippines, this partnership represents an important opportunity to attract greater Canadian investment, expand market access, strengthen critical industries, and accelerate economic growth. For Canada, it reinforces a trusted partnership in one of Southeast Asia's fastest-growing economies while opening new opportunities for Canadian businesses and supporting its broader Indo-Pacific strategy.

One of the most important outcomes of the visit is the commitment by both governments to conclude negotiations on a Canada–Philippines Free Trade Agreement (FTA) by the end of the year. Once completed, the agreement is expected to significantly increase bilateral trade, benefiting exporters, investors, manufacturers, and consumers in both countries. Progress also continues toward the Canada–ASEAN Free Trade Agreement, further strengthening regional economic integration.

The two governments also announced new cooperation in energy, mining, and natural resources, including a Joint Declaration of Intent and a Technical Assistance Partnership. These initiatives are expected to support the responsible development of the Philippines' natural resources, strengthen critical mineral supply chains, encourage technology transfer, and promote sustainable economic development.

Beyond economic cooperation, Canada and the Philippines are expanding collaboration in defence and regional security through the forthcoming Status of Visiting Forces Agreement, while new agreements on tourism, culture, labour, and migration will further strengthen people-to-people ties and create greater opportunities for both Filipinos and Canadians.

The Canadian Chamber of Commerce of the Philippines welcomes this important milestone in bilateral relations. We believe the Strategic Partnership lays the foundation for stronger business collaboration, increased investment, innovation, and sustainable growth that will benefit both countries while creating meaningful opportunities for the Philippine business community.

We are optimistic that these high-level discussions will translate into concrete initiatives, trade missions, business forums, investment opportunities, and industry collaborations in the months ahead. As these developments unfold, CanCham looks forward to bringing these opportunities to our members and continuing to serve as a bridge between Canadian and Philippine businesses, helping transform this strengthened partnership into lasting economic value for both nations.

The dialogue explored opportunities in trade, investment, and innovation while tackling challenges like tariffs, regulatory barriers, and global economic shifts. Key points included empowering SMEs through free trade agreements, the Filipino Canadian community’s role in strengthening ties, and digital transformation and sustainability as growth drivers. With insights from MBC leaders, CanCham partners, and distinguished guests, the event reaffirmed the commitment to advancing Canada–Philippines relations and building stronger Indo-Pacific economic bridges.

CANCHAM RECENT EVENTS (DAVAO)

The Canadian Chamber of Commerce of the Philippines – Mindanao Chapter (CanCham Mindanao) proudly participated in the Davao Trio 2026 (PhilBex / Tlex / MafBex) held last May 7-10, 2026 at SMX Convention Center Davao.

CanCham Mindanao successfully held its inaugural TIPON, bringing together members and partners for an afternoon of meaningful conversations, fresh ideas, and renewed connections.

The gathering was facilitated by Maria Rowena Gempesaw, together with Chairperson Jocelyn A. Romero, Atty. Jude Ralph V. Yap, Faye Tampepe of Pioneer Insurance, Reine Kathryn Rala of MEDA, and Marigold Gonzaga of Davao City Map Guide.

With dignity and purpose, CanCham Davao has continually advanced the spirit of Canada-Philippines partnership in Mindanao. Since its establishment, the chapter has engaged in meaningful dialogues with local government leaders, fostered collaboration with the Davao City Chamber of Commerce and Industry, and created platforms for Canadian and Filipino enterprises to connect and thrive. Through advocacy, networking, and representation, CanCham Davao has elevated the visibility of Canadian business interests while strengthening bilateral ties in trade, investment, and cultural diplomacy. Guided by its resident leadership, the chapter stands as a beacon of cooperation—celebrating shared values, nurturing opportunities, and honoring the enduring friendship between Canada and the Philippines. Thanks to the efforts and leadership of CanCham's 3rd Vice President, Ms. Jocelyn Romero, and unwavering support by Davao Members and CanCham staff Maria Rowena Gempesaw,

25 June 2026 at the Dusit Thani Manila - The Canadian Chamber of Commerce of the Philippines (CanCham) was proud to join the 21st Joint Foreign Chambers (JFC) Networking Night, a milestone gathering that brought together the international business community in the Philippines.

Organized by the JFC—composed of the American, Canadian, European, Japanese, and Korean Chambers of Commerce, along with the Philippine Association of Multinational Companies ROHQ—the evening drew an incredible turnout of members, partners, and guests.

The event provided a vibrant platform for meaningful conversations, new connections, and strengthened partnerships, uniting the foreign business chambers, the diplomatic corps, and the wider business community under one roof.

For CanCham, it was a celebration of collaboration, camaraderie, and the collective spirit of international business. We extend our heartfelt gratitude to everyone who joined us, and to our valued partners and sponsors whose support made this event possible.

As we look ahead, CanCham remains committed to championing business together. We look forward to welcoming you at future JFC events and continuing to build bridges across industries and communities.

Strengthening public-private collaboration with the BIR

On 23 June, the Bureau of Internal Revenue (BIR) and the Multi-Sectoral Group (MSG) formally signed a Memorandum of Agreement (MOA) at the BIR National Office in Quezon City. This renewal institutionalizes the BIR-Multi Sectoral Working Group, reinforcing its role as a platform for policy consultations, open dialogue, and collaborative initiatives between the bureau and partner organizations.

Atty. Maria Concepcion Simundac-Delos Santos of the European Chamber of Commerce of the Philippines (ECCP) represented the Joint Foreign Chambers (JFC) and signed the MOA. Joining her was Canadian Chamber of Commerce of the Philippines (CanCham) former President and Advocacy Co-Chair Chris Ilagan, who stood alongside fellow stakeholders in support of this milestone.

Their participation underscores the private sector's strong commitment to transparency and constructive engagement, advancing inclusive and consultative economic governance.

This renewed partnership between government and the private sector underscores the collective effort of the business community to champion a fair, transparent, and growth-oriented environment for all.
